Question 1

Your mind is always buzzing with unexplored ideas and plans.

Question 2

Generally speaking, you rely more on your experience than your imagination.

Question 3

You find it easy to stay relaxed and focused even when there is some pressure.

Question 4

You rarely do something just out of sheer curiosity.

Question 5

People can rarely upset you.

Question 6

It is often difficult for you to relate to other people's feelings.

Question 7

In a discussion, truth should be more important than people's sensitivities.

Question 8

You rarely get carried away by fantasies and ideas.

Question 9

You think that everyone's views should be respected regardless of whether they are supported by facts or not.

Question 10

You feel more energetic after spending time with a group of people.
